CRIGER IN GOOD SHAPE.

Great Boston Catcher Is Ready for Game to Open.

Elkhart, Ind., Jan. 14.—President John I. Taylor of the Boston American league club stopped over here Saturday night, on his way home, to have a talk with Lou Criger.

Mr. Taylor found Criger in splendid physical condition, weighing more than he has for a long time. The catcher told the Boston owner that he has not felt better in years, than he did at the present time, and that he believed that he would play in his old form the coming season.

Terms for next year were practically agreed upon, although the catcher did not add his signature to a contract. It will be, however, a more formal one, and the signed contract is expected to arrive in Boston almost as soon as Mr. Taylor.

Before the Boston magnate left for Cleveland last night on a late train he had just enough time to say how rosy it looked for the Bostonians for next season. The looks of Criger gave him added encouragement.

"We were pretty well shot to pieces last year," said Mr. Taylor, "but watch us jump ourselves when the season opens. With Criger back in the game the last week will be plugged up, and we will be able to put up a stiff front from the jump."

"I am not worrying about first base, as Grimshaw is good enough for anybody. I simply wanted Jake Stahl in order to get a little more natural speed on the bases."

"With the new material we have secured, it is a certainty that we will be able to pick out one or two players of major league caliber, and that is all we need."

WALES BEAT ENGLAND.

In Opening Match of International Rugby by Football.

London, Jan. 14.—The opening match of the series of the international rugby matches played annually between the four nationalities of the United Kingdom was played at Swansea, Eng., on Saturday, and resulted in a victory for Wales over England by 22 to 0. For the past seven years Wales has never been beaten on her own ground, with the exception of her defeat by the South Africans, sixty-four local clubs also played in various localities in the first game in the annual contest for the English cup, the greatest trophy in British association football. The final is always played at the Crystal Palace in March or April.

PRESIDENT TO CONGRESS

Expenditure Is Greatly Needed in Mexico

TO PROTECT PROPERTY

Probably \$2,000,000 Is Necessary to Restore the Colorado River to Its Former Channel and Keep It There.

Washington, D. C., Jan. 14.—The president on Saturday sent to Congress a message urging action by Congress toward remedying the situation caused by the break in the Colorado river four miles below the international boundary line in Mexico, which threatens the property interests in the Imperial valley of California. The president says that prompt action must be taken, otherwise conditions will become so extreme as to be impracticable of remedy. Probably with an expenditure of \$2,000,000, he says, the river can be restored to its former channel and held there. The question of what sum, if any, should be paid to the Southern Pacific railroad for work done since the break of November 4 is one for future consideration.

MR. ROOT TO GO TO OTTAWA.

Not an Official Visit, but Things May Be Talked Over.

Washington, D. C., Jan. 14.—Secretary Root announced Saturday that he would leave Washington Thursday for Ottawa, Ont., where he will be the guest of Earl Grey, governor general of Canada. Mr. Root will be accompanied by Mrs. Root and will arrive in Ottawa on Saturday and remain over Sunday. Secretary Root said that his visit would be purely social, and has nothing whatever to do with the international treaty now pending between Great Britain and the United States.

The news that Secretary Root is about to visit Earl Grey at Ottawa elicits the most favorable comment on the part of officials at London and in the British press. The opinion expressed is that the visit foreshadows better relations between the United States and Canada, which were considerably improved by the governor general's tour of the United States last year. Great Britain is very anxious for a final settlement of all outstanding questions with the United States, most of which permit of an early agreement, but the sailing and Newfoundland fisheries questions stand in the way. While it is stated that Mr. Root's visit is purely social, the impression at London is that it will afford an opportunity to go over pending controversies between Canada and the United States, and perhaps smooth the way for a general agreement.

FLOWER FIGHTING EXTRADITION.

Claims He Was Not in New York at the Time Alleged.

New York, Jan. 14.—Detective Sergeant McConnell of the New York district attorney's office, who was sent to Philadelphia after Dr. Richard C. Flower, under arrest as a fugitive from justice from New York, returned to New York Saturday and reported that Flower was fighting extradition on the ground that he was not in New York state when the alleged offenses with which he is charged occurred. Flower, who is said to have swindled the stockholders of the Arizona Eastern and Montana Smelting Ore Purchasing and Development company out of many thousands of dollars, forfeited a bail bond of \$25,000 when he disappeared in May, 1904. He was rearrested in Philadelphia week before last after a search extending almost around the world. There are five indictments against Flower in New York county.

Governor Pennypacker postponed the hearing in the extradition proceedings until today. Detective Sergeant McConnell will go to Harrisburg on that date with several letters which District Attorney Jerome claims Flower wrote and mailed in New York at the time of the alleged swindle.

A FAMILY CONFERENCE.

To Discuss the Marlborough-Vanderbilt Family Jar.

London, Jan. 14.—Something approaching a family conference relative to the affairs of the duke and duchess of Marlborough (who was Consuelo Vanderbilt), was held at Sunderland house Saturday. The Belmonts are already there, and Reginald Vanderbilt and other members of the family were to join the party that night. This meeting undoubtedly concerns the domestic differences of the Marlboroughs, which appear to be rapidly approaching the point where a separation will be definitely announced. When inquiry was made at Sunderland house, answer was given by some members of the family that the situation had undergone no change since last Wednesday, when a report that a deed of separation already had been signed was given an authoritative denial.

SWIMMING RECORDS GO.

C. M. Daniels Makes Fast Time in the Water.

New York, Jan. 14.—Charles M. Daniels, American champion short distance swimmer of the New York Athletic club, made three new American records in a 200-yard handicap race in the natatorium of his home club Saturday.

Daniels won the first heat of the preliminaries, but finished no better than third in the final. He started from the scratch and at 120 yards his time in the trial heat was 1:14; in 6:4.5 seconds better than the record held by Harry LeMoyné of the Boston Athletic club.

At 150 yards Daniels eclipsed his old record of 1:43 by six seconds, and finished the 200 yards in 2:15 1-5, exactly 4 4-5 seconds better than he had made in the same tank a year ago.

HARRIMAN INQUIRY EXTENDED.

Hearings at Portland, San Francisco and Los Angeles.

New York, Jan. 14.—Although it has not been positively decided, the probability is that the investigation into the coalition of the roads of the Harriman system will be extended to Portland, San Francisco and Los Angeles. It already has been announced that an inquiry will be conducted at Seattle, to which city Commissioner Lane is now proceeding. A large number of blank subpoenas are being prepared for the submission, and it will be forwarded to the proper persons to be filled out with the names of witnesses as fast as they are needed.

FEAR GAS LEAKAGE.

Some Winooski People Have Shut Off the Flow.

Winooski, Jan. 14.—Fearing a repetition of the gas asphyxiation horror of last Saturday night, when the entire family of George H. Devino, consisting of six persons, was suffocated, many people have had their supply of gas shut off, and complaint have been made to the gas companies of new leak in the mains. Several leaks have been reported already, and a large force of men have been employed digging up the streets to locate the breaks. The Devino house, in which the six people died last Saturday night, is not connected with the gas main, but it is believed that the gas leaked in from the street through the sewer connections.

The Ideal Poultry Food.

Fresh cut bone and meat has been called the ideal food for laying hens because it contains in a highly concentrated but easily assimilated form all the materials which are contained in the egg. If your hens are not laying you had better send to C. S. Page, Hyde Park, Vt., for 200-pound barrel of the food. It will cost you only \$3.50 freight prepaid to your railroad station.

CRESCENTS 28, NASHUA 25

In Fast Interesting Basket Ball Game

BEFORE LARGE CROWD

Local Team Had More Success in Finding Baskets, While the Visitors Passed and Followed the Ball Well.

By superior throwing baskets the Crescents defeated the Nashua, N. H., basket ball team in the Church street gymnasium Saturday evening by the close score of 28 to 25. The strong Nashua quintet passed and followed the ball like hounds, but their shots for the basket were generally poor, though at times it was apparent that there was some hard luck, as the ball would roll around on the edge of the basket, balance and fall outside. It was a fast, clean game and was witnessed by a large crowd of interested spectators. The strong team work of the visitors and their swift passing kept the Crescents working every minute of the game, and only in throwing baskets did they excel the New Hampshireites. This fact aided by several very sensational shots for the basket by Sheriffs and Mullen, kept the home team ahead of the visitors from the start.

The game consisted of three 15-minute periods. In the first period the Crescents got a lead of 14 to 5 which their opponents, though they gained on them in the last two periods, were not able to overcome. Church made five of Nashua's baskets while the visitors got four and Rust four, and two fouls for the Crescents. During the last period Nashua was at one time but one point behind in the score; they made ten points to the Crescents' 5 in this period.

VERMONTERS LOST.

But They Put Up Rattling Game Against Fitchburg, Mass.

Fitchburg, Mass., Jan. 14.—In one of the best basket-ball games of the season the Y. M. C. A. won a close and exciting contest from university of Vermont in the association gymnasium last night. The visitors gave the best exhibition of blocking seen here this season. They also covered closely, and it was seldom that a player had an opportunity to shoot for the basket. Syme, Davidson, Rich, Watkins and Collins did the best playing. The summary: Y. M. C. A. U. of Vt. Davidson, r. f. 10; b. Halcombe, r. f. 10; b. Hosmer, l. f. 10; b. Cassidy, c. Collins, c. McKenzie, r. b. 10; l. f. Buck, c. Curly, r. b. 10; l. f. Watkins, c. Syme, l. f. 10; U. of Vt. 10; goals from floor, Rich, Curly, McKenzie, Watkins 2, Buck, Hosmer; goals from fouls, Syme 6, Lee, Buck, Hosmer; referee, J. W. Waters; timer, C. S. Alexander; time, 20-minute halves.

BUSY YEAR IN BILLIARDS.

George Sutton Won 18.2 Championship, Honors for 18.1 Going to Hoppe.

The year 1906 was the busiest in billiards since the death of Frank Williams. Two 18.2 tournaments, one in New York and the other in Chicago, were held for the class A professionals. The one in New York was for the championship at that style of game, and was won by George Sutton. Later in the year George Sutton defeated Slosson for the title, then defended it against Willie Hoppe. The latter won the 18.1 championship in France, defeating Maurice Vignaux, and defending the title against George Slosson and Jake Schaefer. Hoppe recently forfeited his title to Sutton. The short season also were kept busy and during the month of December engaged in a champion 18.3 tourney in New York, which was won by Al Cutler of Boston. Cutler and Harry Cline tied for first place, Cutler winning the playoff. The class A amateur championship tournament held at the Chicago Athletic association was the amateur event of the year, and was won by Edward W. Gardner of Passaic, N. J. Poggenburg of New York, Wright of San Francisco and Demarest of Chicago tied for second prize, which the Chicagoan captured in the playoff. The principal matches were: January 15—Willie Hoppe defeated Maurice Vignaux for the 18.1 billiard championship at Paris, 500 to 323, average, 30.

March 12-9—18.2 amateur championship tourney held at Chicago. Gardner won. Poggenburg, Demarest and Wright tied for second, third and fourth prizes. Demarest won playoff for second prize, Poggenburg, third; Wright, fourth; Conkling, fifth; Norris, sixth; high run, Wright, 127; best single average, Wright and Poggenburg, tie, 12-12-15; best grand average, Demarest, 12-8-110.

March 27—Hoppe defeated Slosson in 18.1 championship match at New York 500 to 391; average, 10-40-46.

April 9-21—18.2 tourney held at New York. Slosson won; Schaefer, second; Sutton, third; Hoppe, fourth; Cure, fifth; Cutler, sixth; Morningstar, seventh; high run, Sutton, 224; best single average, Sutton, 100; best grand average, Sutton 24-16-117.

April 17—Sutton averaged 100 in 18.2 balk line match against Hoppe.

May 7-12—18.2 at Chicago. Hoppe

Heart Like a Clock

The pulsation of the heart marks the passage of the blood through the veins, just as the ticking of a clock indicates the flight of moments of time. Palpitation, fluttering or irregular action reveals the fact that the heart is running down—and unless strengthened, is liable to stop at any time under some weakening influence, such as excitement, over-work, or intense mental or physical strain. To regulate the heart action, you should take Dr. Miles' Heart Cure when any symptoms of a weak heart is apparent. It has no equal.

"Sometime ago I had a very severe pain around my heart, and most of the time I had a heavy beating or throbbing of the heart. It would beat so that when I lay down at night it would sound like a small clock in bed with me. I could count the ticking. With every little exercise, or walking I felt like my heart would give out, and I would be so tired I would have to lie down and rest. I suffered quite a while in this way, then I concluded to try Dr. Miles' Heart Cure. I had not taken it long until I began to feel easier, and so continued, and the medicine entirely cured me. I am very grateful for the great good I received from Dr. Miles' Heart Cure."
